"A GREAT MOVIE MUSICAL HAS BEEN MADE AT LAST."

-David Denby, The New Yorker

With showstopping performances by a star-studded cast, Dreamgirls soars with the amazing story of three female singers who learn that anything is possible when you hold onto your dreams.

Grammy® winner Beyoncé Knowles (Deena), Academy Award® winner Jamie Foxx® (Curtis) and Golden Globe® winner Eddie Murphy (James "Thunder" Early) shine in unforgettable roles that display their matchless talents. And Jennifer Hudson (Effie) is a revelation, in the breakthrough performance that earned her the 2006 Academy Award® for Best Supporting Actress. Based on the Tony Award®-winning Broadway hit and directed by Academy Award®-winner Bill Condon® (screenwriter of Chicago), the Oscar®-winning Dreamgirls is "a triumph" of movie entertainment that will dazzle you again and again.
